

JeffCo 2030 Report

Culver, Oregon

Culver City Hall | October 24, 2019

On an autumn evening in 2019, a group of 30 community members gathered at the Culver City Hall to participate in a visioning meeting regarding health and wellbeing factors in the community, led by members of the JeffCoConnects Community Network. Using a combination of brainstorming and prioritization process called nominal group technique, each facilitated table worked to identify supports, challenges, and solutions to health and wellbeing issues in Culver. The following is an ordered compilation of priorities identified, as well as themes that surfaced in the small groups. These ideas will be triangulated and considered as local and county-wide priorities are identified by the network for focused efforts over the next 5 years.

Culver Priorities by Votes Tallied	
16	Community Center / Parks and Rec Area with Activities for All Ages
14	Senior Center with Social Activities
10	Suicide Prevention / Community Education
6	Medical Services
5	Youth After School Activities
5	Transportation for Medical Services
4	Increased Citizen Involvement
3	Cross Walks
3	Telemedicine Access
3	Social Media Safety Training
3	More Businesses
2	New Businesses
2	Anti-Bullying Awareness / Education
2	Improved Road Safety / Highway 97
1	Exercise Facility
1	Good Paying Jobs
0	Increase Economic Vitality

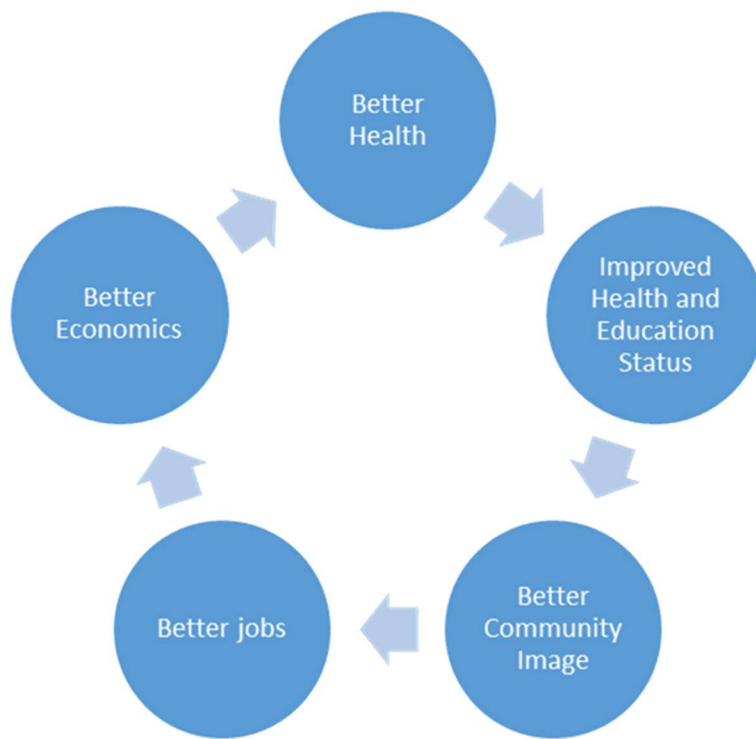

Responses to the question: What do you like about living in your community?
Sense of Safety
Supportive, Caring Community
Events (e.g. Crawdad Festival)
Agricultural Community
Good, Small Schools, Culture of Excellence, Open Door Policy at School, Ms. Dix
Small Town Feel, Quiet, Slower Pace
Accessible Outdoor Activities, Including Lakes
Parks
Big Sky Views, Sunshine

Nice, Friendly Neighbors, Look Out for Each Other, People Check on Each Other
Affordable Housing
Clean Community, Clean Water
Good Place to Raise a Family, It's Home, Close to Family
Positive Leadership
Close to Quality Medical Services / Madras
Good Cheesecake

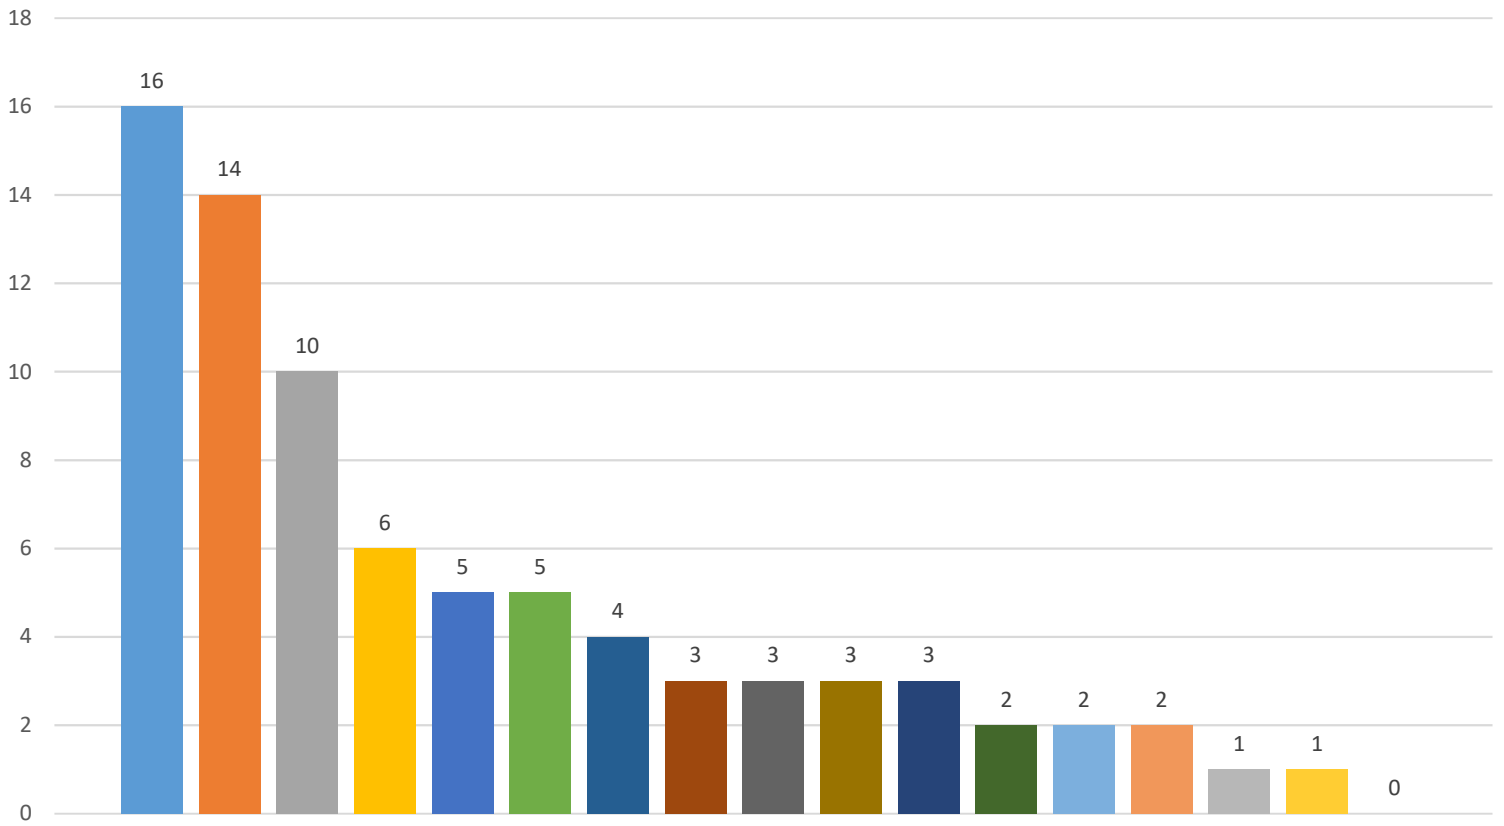

Responses to the question: What things challenge health and wellbeing in this community?
Air quality certain time of year/hemp smell
No walking trails/limited sidewalks
Distance to services, travel time, including medical care
Limited healthcare resources, services, providers
Transportation, including to medical care
Lack of mental health services
Limited employment opportunities (jobs)
Lack of fresh food choices/market
Lack of fitness facility/exercise classes/programs/walking groups
Youth activities limited, school sports
Depending on volunteers for fire/EMS
Emergency response time
Highway/road safety
Spraying pesticides
Murals at St. Charles-Madras unwelcoming/doesn't represent community
Diversity of population
Homeless population
ADA accessibility
Distance to activities
High gas costs
Limited housing
Algae
Everyone knows everyone else!

Culver Solutions Affinity Groups	
Affinity Groups	Responses
Economic Development	More and better paying jobs; Incentives for new businesses, small and large
Healthcare Access	Telemedicine; DDS Mobile Unit; Transportation to medical services; Local medical care
Healthy Food Access	Farmer's market; Healthy cooking classes; Developing a food bank
Pedestrian Safety	Cross walks; Biking / walking paths; Build and improve sidewalks
Public Safety	More turning lanes of Hwy 97; Median on Hwy 97; More parking in downtown Culver; Increase police presence and access
Public Transportation	Increase public transportation stops; Transportation to medical services
Youth Activities and Support	Increase youth after school activities; build a skate park; Increase parental involvement in community activities; CPR / babysitting classes in Culver
Supporting Families with Young Children	Car seat clinics; Immunization clinics; Childcare services; Community access to day care
Community Center with Activities for All Ages	Exercise facility; Parks and recreation; Offer Madras exercise classes in Culver; Library; Internet café / WiFi access, Senior center with social activities
Community Education	Suicide prevention; Bilingual education; Anti-bullying education; Social media safety; Trauma nurses talk through
Community Engagement	Increase citizen involvement; Community Support; Increase community knowledge of services available
Funding/Money	Identify funding sources

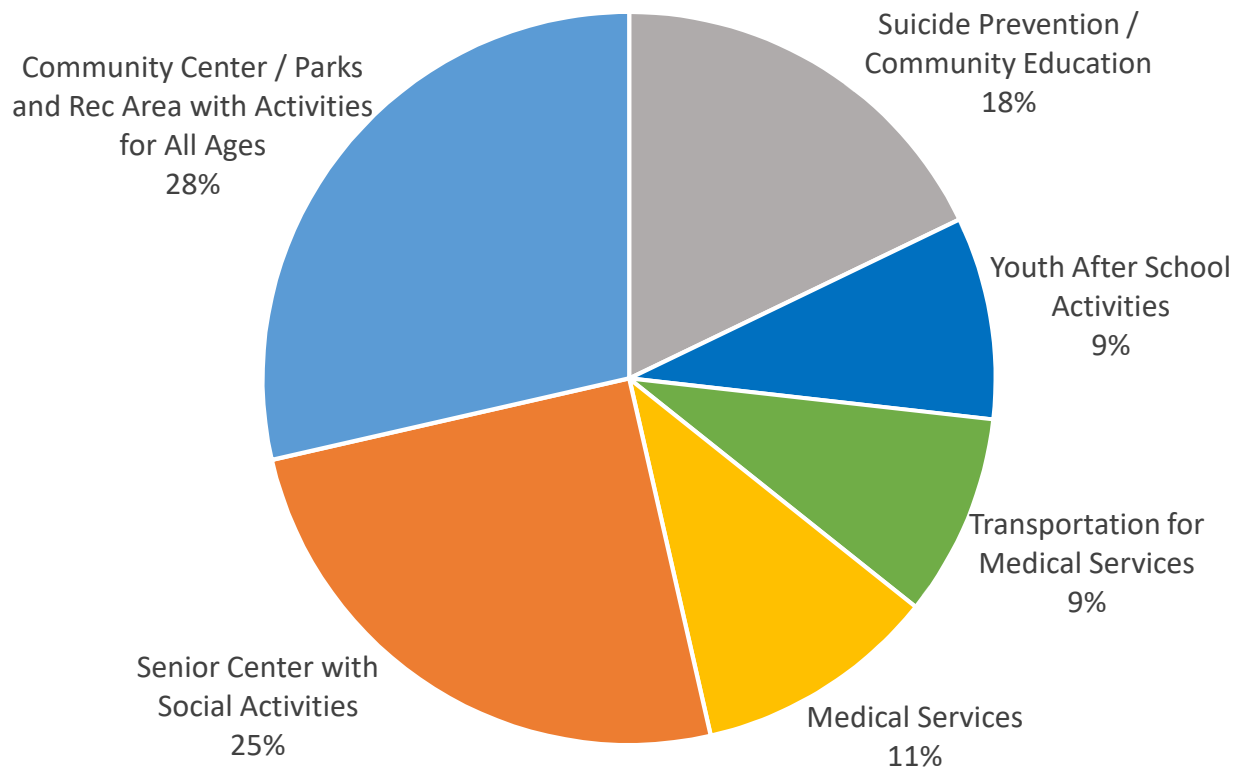

These themes and priorities will be utilized in community-wide and county-wide prioritization as the JeffCo Connects Community Network completes their visioning process in the Fall of 2019. These data will be triangulated with the Robert Wood Johnson Foundation's County Health Rankings and other local and regional assessments to formulate a project plan and develop funding strategies to accomplish those targets. A huge "Thank you" to everyone who participated in the Culver meeting!
